INCOME AND ELIGIBILITY VERIFICATION SYSTEM (IEVS) COUNTY INPUT
REQUIREMENTS FOR THE APPLICANT SYSTEM

Enclosed please find a copy of the County Input Requirements for the IEVS Applicant System. This document has two purposes:

- 1) to serve as a reference source for the four counties who have already implemented the IEVS applicant system;
- 2) to provide detailed documentation for the IEVS applicant input requirements so that counties can either make the necessary changes in their EDP systems to be able to input data to IEVS in a batch mode or enter data to IEVS online.

An Interim Users Manual for the IEVS Applicant System is in the process of being developed and is scheduled for release in August 1987. Please direct any questions on the enclosed material to either Ed Briles of the Data Systems Branch at (916) 445-5088 or to Marty Bornstein at (916) 324-6991.

Sincerely,
